

Vehicle History Summary

Fleet #	EX02
Registration	
Make	CAT
Model	345CLHYD
VIN / Chassis #	SERIAL TBA00156
Build Date	2002

Number	Date	Kms	Hours	Type	Repairer Notes	Repairer
R-611	08/03/2019		2645	BUCKET TEETH, STICK CYLINDER	Measured up bucket teeth and ordered the correct teeth. Removed old bucket teeth. Cleaned up bucket adaptors. Installed new bucket teeth and tested-all good. Stick cylinder leaking out between head and barrel. Removed head and inspected seals. Seals are good on head. Changed seal. Installed head. Ran up and tested. Wouldnt leak until the hydraulics were under pressure pushing out. Any other way and the head didnt leak. Topped up hydraulic tank with oil. Side back stick cylinder head. Put seal between head and barrel. Tightened up. Ran up and tested. Not leaking. Will need to monitor.	
R-605	01/03/2019			COOLANT	Completed by Rob. Loaded up, went to appleyards. Removed the belly guards. Removed the 2 bottom radiator hoses. Installed 2 new bottom radiator hoses and clamps. Filled up with coolant. Ran up and tested-all good	
R-588	23/02/2019			HOSE, STICK CYLINDER	Replaced head seal stick cylinder. Replaced flex cup link. Replaced hdy filters and oil
