Lot	Title/Description
0B	**The Bidding Process at Gregsons Auctions & What to Expect!** **So, you have signed up as a loyal Gregsons Online Auction Customer and you are now ready to bid and you have an Auction or particular items within an auction that you are interested in, the process to bid and hopefully secure a win in our Online Auction will go as follows!** **Step 1 – Register to Bid** **On our auctions listing page you will be able to see all current auctions available, you will need to:Click on the black button titled 'Register to bid!' (you will be taken to a new page)Read thoroughly & Agree to the 'terms and conditions' and click on 'Confirm'Now you are ready to place a bid!Step 2 – Enter the Catalogue view and begin searching for your items to Bid on** **To enter the auction and begin placing bids, simply click on the red 'View Catalogue' buttonYou are now in the auction view and can begin scrolling to find the lot/s you are interested in bidding onDecide which way you wish to bid, either 'Bid' or 'Submit Maximum Bid'If you choose to simply 'Bid' then:Click on the black 'BID' buttonYou will be asked to confirm your bid and have 10 seconds to do you, just click the black button again to confirm your bidSystem will now advise you either:You were successful – popup will appear advising you of this as well as 'Your high bid!' being written in green next to the current bidYou were unsuccessful - popup will appear advising you of this as well as 'Outbid!' being written in red next to the current bid – simply keep bidding until you are successful.If you choose to 'Submit Maximum Bid' then:Type the maximum amount you wish to bid into the white boxed areaClick on the red 'Place Bid' buttonYou will be asked to confirm your bid and have 10 seconds to do you, just click the black button again to confirm your bidSystem will now advise you either:You were successful – popup will appear advising you of this as well as 'Your high bid!' being written in green next to the current bidYou were unsuccessful - popup will appear advising you of this as well as 'Outbid!' being written in red next to the current bid – simply keep bidding until you are successful.Please note:we recommend using this functionality in circumstances when you do not believe you will be able to be online at the auction closing time or have doubts about your internet connectivityOnce you have submitted a bid, the system will bid for you against any other bidder up to the amount you have submittedOnce the bidding is above your maximum 'Submitted' price, you will be out of the bidding and need to enter another bid to compete for the LotThis is not a guarantee you will be the successful bidder but will enable you to compete for the Lot without having to be present at the time of the sale.The Auction Closing Process at Gregsons Auctions & What to Expect!** **Gregsons have our own preferred method of how our auctions close and they are identical to the way our live auctions were conducted for the last 90 years – we just hold them online now!** **The process:** **The 1st Lot will begin to countdown at the advertised auction closing time (i.e. 10am or 6pm, etc)Each lot is allocated a ONE (1) Minute closing window whereby bidders are provided this ONE (1) Minute to place a bid and extend the time..This point in time is very important and can only goes two (2) ways:No bids are placed – the lot will countdown for the full ONE (1) minute, the lot closes and we move on to the next LotA bid is placed – an additional ONE (1) minute will be added to the countdown of this lot and all other lots allowing the bidder/s to consider bidding again if they were just outbid – make note, there is no limit to number of times this can occur, it is up to the bidder who are fighting it out to win!Most importantly is that, the lots close in sequential order (one after the other) and if a bid is placed in the last minute of the closing lot then ALL lots within the auction will be extendedThe beauty of this system is that it allows you to watch each lot close individually and you will never miss out on a lot as they close in lot number order!Please note, invoices are issued a number of hours after the final lot has closed for each auction, if this happens to be after hours then the invoices will be issued the morning after**
